Brian -

My apologies for contacting you directly but I know Steve is on vacation this week.

I just opened an email sent to me by last Friday afternoon.

He was apologetic about not responding to my voice and emails sooner. He would like to arrange for the water deliveries asap. He specified that he would like both an in-house water cooler and bottled water.

He mentioned that the best way to get in touch with him is to call his alternate phone number,

Please call him by close of business tomorrow (Tuesday) and shoot me an email once you connect with him.

Thank You!
Jim
